The case was last discussed in 104<sup>th</sup> meeting of Expert Committee held on 20 & 21<sup>st</sup> May, 2021 and the recommendation of the committee is as follows:

*"The EC during the meeting asked applicant to submit the revised application mentioning how the equipment was imported earlier without obtaining permission from MOEF&C and why permission of MoEF&CC is required now. Till then, the matter is deferred."*

The applicant has now submitted the explanation. The summary of the explanation is as follows:

“In past, the equipment was brought into India in installed condition on the Aircraft to carry flying for Government of India’s geophysical survey project. The equipment and aircraft were both jointly inspected by Directorate General of Civil Aviation (DGCA) as well as the Ministry of Defence (MoD) before clearance.

The applicant had leased the aircraft from M/s Kiwi Air of New Zealand and they fly them into India under the Aircraft Operating License of DGCA registered Indian Aircraft Operating Company called M/s Deccan Charters Pvt. Ltd. The applicant has enclosed Survey permit of MoD (relevant clause “j”), Joint clearance report (first para) along with the past custom cleared BOE copy for reference purpose.

McPhar has been carrying the business for Geological Survey of India (GSI) for the past five years. Since there has been continuity of work, McPhar now intends to bring the same equipment that it has been using for GSI’s project into India on permanent basis for carrying similar surveys in the country. Now, McPhar intend to import the equipment permanently into India; separate from the aircraft, therefore MoEF&CC clearance is requested.”
