PROVISIONALLY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- U917

The Question Will be put down for -- 21/03/2025

Answer on the Ministry Department -- Electronics and Information Technology(E&IT)

Artificial Intelligence for Social Good

E&IT

Will the Minister of Science and Technology be pleased to state: 1. How can AI be leveraged to promote sustainable development and environmental conservation in India, including applications in climate change mitigation, waste management, and biodiversity preservation? 2. How can AI be used to promote financial inclusion and economic empowerment in India, including applications in digital payments, microfinance, and entrepreneurship development? 3. How can AI be designed to support India's linguistic and cultural diversity, including applications in language translation, cultural preservation, and inclusive education?

Transfer to Environment
