

F. No. Secy(EF)/PPS/2011
Ministry of Environment & Forests

Dated 30th May, 2011

C I R C U L A R

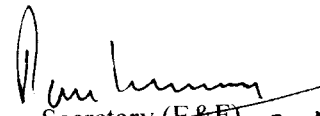

Subject: **Implementation of the geographical area-based approach - training from NIC between 2nd and 7th June, 2011** – regarding –

During the review of various schemes, it was observed that sometimes there is an overlap/duplication of activities under different schemes over a particular geographical area. As a consequence both the resource utilization and the outcomes become sub-optimal. In order to address this issue, it was decided that the details of **the latitudes and longitudes (lat-longs)** of a geographical area necessarily accompany new proposal from FY 2011-12 provided, the proposal/project/activity is with a reference to specific geographical area. (**Enclosed at Annex - A**). All the PDs were asked to be in preparedness for the same from FY 2011-12 onwards. Some of the PDs have reported very encouraging response from the State Govts. in furnishing the lat-longs for a particular geographical area.

2 Capturing of such details would enable the Ministry to understand the quantum of funds released to a particular area under different schemes in different FYs, the purpose of funding etc. It would, further, enable the Ministry in better management/optimal utilization of resources available over an area, better control over the purpose of releases, monitoring of area specific programs and better outcomes.

3 To facilitate the implementation of the above referred initiative, NIC has prepared a module/programme. The details of latitude and longitude would be captured in this module. This module will also assist the PDs in tracking the processing of files from PDs to IFD to Cash section to P'AO. In order to better equip the Ministry for usage of the module, NIC would be imparting **training** to the officials of the Ministry. The **training** would be imparted in the first week of June 2011. A detailed training schedule has been drawn for the Ministry. The same is enclosed at **Annex-B**.

4 The Division **Heads** of various schemes are requested to **identify at least two staff/officials and ensure that they are deputed for training** as per the schedule so that the initiative is implemented successfully.

Secretary (E&F) 30.5.11

Annexures A & B as above.

All Division Heads – To nominate officials for training and inform NIC

(Shri Rajesh Pathak, Room No.611 about the names of nominees)

All ASs/ADGs – with a request to ensure compliance

MINSITRY OF ENVIRONMENT & FORESTS
(Office of AS & FA)

Subject: Detail to accompany **New Proposals** in FY 2011-12 – reg.

1 During review of various schemes, it is observed that sometimes there is an overlap of jurisdiction as well as duplication of activities under various schemes of the Ministry in the **same geographical area**. As a consequence both the resource utilization as well as outcomes become sub-optimal.

2 As you are aware, Integrated Finance Division is required to facilitate implementation of approved programmes, with due financial prudence; that monies are spent to achieve the intended outcomes defined in measurable & monitorable terms; assist in ensuring 'value for money' with emphasis on improving the quality of expenditure & requisite systemic improvement etc.

4 In order to ensure greater convergence of resources between various schemes and optimize outcomes, it is required that the programme divisions must indicate the nearest latitude(s) & longitude(s) of the geographical area along with map of the geographical area wherever a project/proposal/activity is with reference to a specific geographical area. This will apply to all the **new proposals** to be submitted to IFD for processing from **1.4.2011** onwards.

5 PDs may, in turn, advise the State Governments and implementing agencies or those receiving grant-in-aid to remain in preparedness for the same.

6 IFD shall ensure that no new proposals are processed **after 31st March 2011** without the details mentioned at para 2 above, as applicable.

(Gauri Kumar)
Additional Secretary & AS
13.12.2010

All Divisional Heads

The schedule of training to be conducted by NIC for various schemes/divisions

| S. No | Name of the Scheme | Name of the division head | Date of Training | Time of Training | Venue of Training |
