Dear Sir,

**Call for admissions to the Department of Personnel and Training (DoPT) sponsored Post-Graduate Diploma & Masters Programme in Public Policy and Sustainable Development**

TERI University offers a two year Masters Programme on Public Policy and Sustainable Development (with the option of early closure with a one year Diploma) is sponsored by Department of Personnel and Training. A copy of DoPT's circular highlighting the programme detail and selection procedures is enclosed.

The Programme is primarily aimed to train mid career civil servants and professionals in Public organisations with a view to equip them with the latest knowledge of Public Policy practices. A unique feature of the programme is to impart training in various aspects of Sustainable Development that has to become an integral part of the Public Policy formulation. The programme offers:

An in depth exposure to the theory and practice of public policy formulation in the context of sustainable development being addressed by national and global experts on relevant subjects;

An opportunity to interact with thought leaders from across the world on the most current issues of global importance through the World Sustainable Development Summit organized by TERI;

A well structured international programme that would provide an opportunity to study governance for sustainable development in a developed country and interact with senior policy makers in this country, and

A provision of institutional visits to work towards public policy praxis and NGOs in diverse regions of India

TERI University has been offering this Programme since 2006, encompassing a comprehensive and well-structured two-year curriculum (one year on campus and one year working remotely from their work positions) on public policy formulation, analysis, evaluation and management and linkages with development concerns. The programme requires the trainee officers to be on leave for a period of twelve months only.

6/1/17  
17/4/17

814/2017/ADMINP1

We would like to invite you to nominate suitable officers before the formal deadline on 8<sup>th</sup> May 2017. We would be happy to answer any queries that you may have on this programme.

Yours sincerely

--  
Best regards  
L. N Venkataraman DPhil
