The case was first discussed in 104<sup>th</sup> meeting of Expert Committee held on 20 & 21<sup>st</sup> May, 2021 and the recommendation of the committee is as follows:

*"The EC during the meeting asked applicant to submit the revised application mentioning how the equipment was imported earlier without obtaining permission from MOEF&C and why permission of MoEF&CC is required now. Till then, the matter is deferred."*

Then the applicant submitted the explanation and the matter was again discussed in 106<sup>th</sup> meeting of EC held on and the recommendation of the committee is as follows:

*"Based on the discussion with the applicant during meeting, the EC recommended to submit Chartered Engineer Certificate (CEC) from the exporting country. Till then, the matter is deferred."*

Now the applicant vide its mail dated 31/08/2021 & 8/10/2021 has submitted the following:

*"The sets of equipment were brought into India in installed condition on the Aircraft to carry flying surveys for the Government of India's Geological survey project. The equipment and aircraft were both jointly inspected by the Directorate General of Civil Aviation (DGCA) as well as the Ministry of Defense (MoD) before the clearance.*

*So, it's not possible to get the Chartered Engineer's Certificate from the exporting country as the equipment is physically present in India, not in Exporting country.*

*All these equipment are for the use of the Government of India's Geological survey project for mineral exploration would get delayed if we have to hold the equipment for a chartered engineer certificate in third country. During this Covid-19 pandemic time, it won't be possible for us to make international travel for this purpose. Kindly take a lenient view due to the impossibility of current scenario and oblige. "*
