- h) A quarterly statement of accounts and progress of works carried out in the L3 level landscapes shall be submitted by each JFMC/ EDC to the IA which, in turn, shall compile its own progress report for onward submission to SNA. SNA shall prepare a comprehensive Annual Report on the progress of works and utilization of funds in respect of all L2 level landscapes and submit to MoEF&CC, Government of India soon after the end of the financial year.
- i) In case an IA fails to execute the project in the identified L2/L3 landscapes within the stipulated time, including such extensions as may be granted by the Competent Authority, the Competent Authority may, in its discretion, require the SNA to refund the grant in whole or in such part on account of the concerned IA along with interest thereon.
- j) There shall be no diversion of earmarked funds from one L2/L3 landscape to another one except in case of unavoidable circumstances and only with the prior approval of Mission Directorate.
- k) Except for supervening impossibilities, the Chairperson and the Member Secretary of the SNA/IA shall be solely responsible and accountable for successful implementation of the project.
- l) The funds released under the scheme shall be subject to audit by the Comptroller and Auditor General of India or his nominated officer. Any other agency/ officer (s) authorized by GIM shall have the right of access to the books and accounts of the SNA/ IA/JFMCS and EDCs for the funds received under the project.
- m) The SNA shall submit non-diversion and non-embezzlement certificate each time a request for release of grant is made to GIM Directorate.
- n) The SNA shall be responsible for guidance, coordination, supervision, periodical reporting and monitoring the implementation of the project by their constituent IAs/JFMCS/ EDCs. The project shall also be monitored periodically by the respective State Forest Departments and all assistance for this purpose shall be rendered by the SNA. In addition to this, MoEF&CC shall supervise the project as and when deemed required.

- o) The Competent Authority reserves the right to terminate the grant at any stage if it is convinced that the grant has not been properly utilized or appropriate progress has not been made.
 - p) The SNA shall follow strict corruption mitigation strategies while utilizing the funds.
 - q) The implementation of the project and maintenance of plantations raised there under that spill over to the next year shall be the responsibility of the State Government unless the GIM scheme is continued.
 - r) SNA shall take necessary steps to ensure raising of quality seedlings and maximum survival of plants under the GIM Scheme. The survival percentage of plantation shall be reflected in the subsequent Quarterly Progress Report submitted to the Ministry along with the details on the progress of activities carried out under the Mission.
 - s) SNA shall also submit a certificate to the effect that all conditions laid down in the Implementation Guidelines and the Sanction Order are being followed each time a request for release of grant is made to GIM Directorate.
 - t) The project should be completed within the stipulated time period as reflected in the Perspective Plan and APO. The SNA shall furnish two (2) copies of detailed report to Mission Directorate within two months of completion of the project.
 - u) The expenditure for the purchase of equipment's and creation of capital assets must not exceed 5% of the total cost of the APO and a copy of purchase of permanent equipment's may be furnished.
8. The SNA shall also ensure the following conditions, prior to seeking the release of the next instalment of funds:
- a) The State Government shall ensure that the work of preparation of comprehensive Micro-level plans is duly carried out after taking into account all the activities/interventions to be implemented with the funds available from various sources/complementary schemes to ensure convergence. The information related to such financial micro-planning in respect of the landscapes showing the details of the break-up of the funds from various sources (e.g. MoEF&CC, CAMPA, MNREGS, etc.) that are required to be converged in the ratio approved by the CCEA shall be furnished by the State Government.
 - b) The detailed baseline data after preparation of micro-plans for L3 level landscapes in respect of all the monitorable parameters shall be furnished by the State Government while submitting the proposal for release of further funds.
 - c) Latitude/longitude coordinates of each landscape/area of intervention where the activities under GIM or convergence activities are proposed with any other complementary scheme will be furnished by the State Government.
 - d) Geo-coordinates along with geo-referenced maps (including soft copy in .shp/.kml format) for each landscape/area where the activities under GIM or under convergence are proposed and being undertaken shall be duly authenticated by an officer.
 - e) Satellite photographs with dates and GPS coordinates should be furnished before and after the implementation of the scheme and furnished with the physical progress report.
 - f) Certification that the creation/Maintenance work has been carried out in the area of which geo-references have been submitted.
 - g) Ensure saturation of the selected landscapes sequentially starting with L3s and progressing over L2s and L1s with the requisite interventions in the stipulated time period to avoid duplication.
 - h) The contribution of State's matching share should be reflected in the UC.
